SUMMARY

Aspiring backend developer with nearly a year of experience in Java and Spring Boot. A Computer Science graduate from Model Engineering College, passionate about building scalable applications and continuously improving backend systems. Always eager to learn and grow in the software development field.

WORK EXPERIENCE

Software Development Engineer, Hatio Innovations

Jul 2024 - Present

- Played a key role as a Technology Service Provider (TSP) in the ONDC ecosystem, contributing to the development and maintenance of the Buyer Interfacing App and Seller-Side App.
- Integrated Kafka and Aerospike, optimizing system efficiency, scalability, and reducing process overhead.
- Designed, built, and successfully certified the ONDC Reconciliation and Settlement Framework (RSF 2.0), ensuring accurate and efficient financial settlements.
- Developed and implemented the ONDC Issue and Grievance Management (IGM 2.0) system, improving resolution workflows and enhancing user support.
- Led multiple deployments and iterations, refining system architecture and optimizing business logic to improve performance and reliability.

Project Intern, Suntec Business Solutions

Jan 2024 - Jul 2024

- Gained hands-on experience in building RESTful APIs, enhancing functionality and adding new features to the company's product.
- Applied functional programming principles in Java, improving code efficiency and maintainability.
- Conducted testing and debugging, identifying and resolving issues in the codebase.

EDUCATION

Bachelor of Technology in Computer Science Engineering

CGPA : 7.8

Govt Model Engineering College, Kochi

May 2020 - Jun 2024

Higher Secondary Schooling

Govt Boys HSS, Malappuram

Mar 2018 - Mar 2020

ADDITIONAL INFORMATION

Technical Skills:

- Backend Technologies: Java, Spring Boot
- Build & Deployment: Maven, Docker
- Messaging & Streaming: Kafka
- Databases & Caching: Aerospike, Oracle, SQL

- Version Control & Collaboration: Git, GitLab

Awards & Recognitions:

- Received the "Above and Beyond" praise from the Project Manager at Hatio for outstanding contributions.
- Awarded the "Being Awesome" praise from the Engineering Manager at Hatio for exceptional performance.

Hobbies and Interests:

- Photography and videography
 - Creative writing
 - Trying different types of food
 - Traveling
-
